Art Unit: 2815

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 1-46 are, drawn to a method for making a semiconductor device, classified in class 438, subclass 106+.

- II. Claims 48-58 are, drawn to an alignment tool, classified in class 29, subclass 740+.
- III. Claims 59-62 are, drawn to a semiconductor device, classified in class 257, subclass 106+.
- 2. The inventions are distinct, each from the other because of the following reasons:
- Inventions II and III are related as process of making and product made. The inventions are distinct if either or both of the following can be shown: (1) that the process as claimed can be used to make other and materially different product or (2) that the product as claimed can be made by another and materially different process (MPEP § 806.05(f)). In the instant case the product claimed can be made by another process that utilizes a plurality of semiconductor devices.
- 4. Inventions I and II are related as process and apparatus for its practice. The inventions are distinct if it can be shown that either: (1) the process as claimed can be practiced by another materially different apparatus or by hand, or (2) the apparatus as claimed can be used to practice another and materially different process. (MPEP § 806.05(e)). In this case the process features recited can be practiced by hand..

5. Because these inventions are distinct for the reasons given above and have acquired a

separate status in the art as shown by their different classification, restriction for examination

purposes as indicated is proper.

6. A telephone call was made to on to request an oral election to the above restriction

requirement, but did not result in an election being made. Applicant is advised that the reply to

this requirement to be complete must include an election of the invention to be examined even

though the requirement be traversed (37 CFR 1.143).

7. Any inquiry concerning this communication or earlier communications from the examiner should

be directed to Examiner S.V. Clark whose telephone number is (703) 308-4924.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor,

Eddie Lee, can be reached on (703) 308-1690. The fax phone number for the organization where

this application or proceeding is assigned is (703) 308-7722 or 7724.

Any inquiry of a general nature or relating to the status of this application or proceeding

should be directed to the receptionist whose telephone number is (703) 308-0956.
